

# **KIMSHEALTH INSTITUTE OF SKILLS ACQUISITION (KISA)**

# KISA AT A GLANCE

**KIMSHEALTH** is a 650 bedded quaternary care hospital accredited by the National Accreditation Board for Hospitals (NABH) and the Australian Council on Healthcare Standards International (ACHSI) 2006, and it is the first hospital in India with both National & International accreditations.

The Academic division of **KIMSHEALTH** has over the years been recognized for its pursuit of excellence in education and training. **KIMSHEALTH** is accredited by the National Board of Examinations under the Ministry of Health & Family Welfare, Govt. of India for conducting Speciality and Super Specialty courses for Doctors apart from various fellowship courses. Kerala University of Health Sciences (KUHS) has recognized us as a research centre for PhD courses. Our College of Nursing, which is also affiliated with the KUHS has been recognized by the Indian Nursing Council and the Kerala Nursing Council for its educational Programme of global standards. We are accredited by the Directorate of Medical Education (DME), Kerala State to conduct its Diploma courses in the field of Allied Health Sciences.

The academic wing has a dedicated skilling institute namely **KIMSHEALTH** Institute of Skills Acquisition (KISA) which provides health care centered skill training courses of an international repute. KISA conducts various scientifically designed specialized skilling courses for health professionals and other hospital workforce in affiliation with various International and National agencies. Our institute is recognized as International Training centers of American Heart Association (AHA) and American Academy of Family Physicians (AAFP) for the conduct of BLS, ACLS, PALS provider courses and instructor courses, and BLSO and ALSO provider and instructor courses, respectively. We also have a modern Simulation Lab to support our skilling programmes.

The courses KISA offers have an internship component with a strong emphasis on practical orientation. The students receive an attractive stipend during the course and internship period. We also offer scholarships to eligible candidates to bear their educational expenses.
